Getting Started with FutureBuilder

You can use FutureBuilder to explore and prepare for employment in the construction sector by documenting and sharing your achievements.

To Register:
1. Go to ConstructionReadyBC.ca and click on the box that says "Access FutureBuilder" in the top right corner of the page.
2. Click on "Register as new user" from the bottom of the new page.
3. Select "Student" as your role. Parent/guardian approval is required for students under the age of 19. Students under 19 years old must provide an email address for a parent/guardian.
4. Fill out the registration page and press "Submit".
5. If you are a student under 19 years old, your parent/guardian will receive an email. They will create a parent/guardian account to approve you as a user.
6. Once your account has been approved you will be able to login to the app.

To Input Your Information:
1. Select one of the four levels from the homepage (Discover Ready, Exploration Ready, Work Ready, and Apprenticeship Ready).
2. Add your achievements into the six categories; Activities, Skills, Certifications, Fitness and Focus, Projects, and Jobs.
3. Promote your achievements to one of the four levels. Only one item can be promoted to each level at a time so select the items that represent you the best. The promoted items are what an employer will see when you share with them.

To Share Your Achievements:
1. On the homepage of FutureBuilder, select the "Contacts" icon.
2. Select "Add New Contact" and enter the contact's name, email and relationship to you.
3. Select the "Badges" icon from the homepage.
4. Select "View All" and make sure the items you wish to share have a checked box beside them. Items without a checked box will not be seen by others.
5. Select the "Share" button in the badges window.
6. Select the recipient you wish to share with and write them a message.
7. Press the "Send" button.
