

Factsheet

THE AUTOMOTIVE SECTOR ON VANCOUVER ISLAND

Overview

In 2016 there were approximately **47,308 jobs** in BC's automotive sector. From 2017 to 2026 there will be an estimated **23,117 job openings** in this sector. Two key barriers to filling these positions identified by automotive sector employers are a lack of skills and training related to the automotive sector and a poor public image of the industry. 16% of BC's automotive businesses are in the Vancouver Island/Coast region of BC.*
